About Burgundy Diamond Mines Limited

Burgundy Diamond Mines is a premier independent global scale diamond company focused on capturing the end-to-end value of its unique vertically integrated business model.

Burgundy's innovative strategy is focused on capturing margins along the full value chain of the diamond market, inclusive of mining, production, cutting and polishing, and sale of diamonds. By building a balanced portfolio of the world's best diamond projects in favourable jurisdictions, including the globally ranked Canadian mining asset Ekati, a world class diamond cutting and polishing facility in Perth, and high value diamond brands including Canadamark™, Burgundy has unlocked access to the full diamond value chain.

This end-to-end business model with total chain of custody provides traceability along every step of the process, with Burgundy able to safeguard the ethical production of the diamonds from mining to marketing and discovery to design.

Burgundy is founded in Perth, Western Australia and led by a world-class management team and Board.
