About Burgundy Diamond Mines Limited

Burgundy Diamond Mines is a premier independent global scale diamond company focused on capturing the end-to-end value of its unique vertically integrated business model.

Burgundy's innovative strategy is focused on capturing margins along the full value chain of the diamond industry, including mining, production, cutting and polishing, and the sale of diamonds. By building a balanced portfolio of diamond projects in favourable jurisdictions, including the globally ranked Canadian mining asset, Ekati, and a diamond cutting and polishing facility in Perth, Burgundy has unlocked access to the full diamond value chain. This end-to-end business model with total chain of custody provides traceability along every step of the process, with Burgundy able to safeguard the ethical production of the diamonds from mining to marketing and discovery to design. Burgundy was founded in Perth, Western Australia. The company is led by a world-class management team and Board.

Caution regarding Forward Looking Information

This document contains forward looking statements concerning Burgundy Diamond Mines Limited. Forward looking statements are not statements of historical fact and actual events and results may differ materially from those described in the forward-looking statements as a result of a variety of risks, uncertainties and other factors. Forward looking statements in this document are based on Burgundy's beliefs, opinions and estimates as of the dates the forward-looking statements are made, and no obligation is assumed to update forward looking statements if these beliefs, opinions or estimates should change or to reflect other future developments.

IMPORTANT NOTICE AND DISCLAIMER

This Presentation is given on behalf of Burgundy Diamond Mines Limited (ASX: BDM) (ABN 33 160 017 390) (Burgundy or Company). By accepting, accessing or reviewing this Presentation, you acknowledge and agree to the terms set out in this Important Notice and Disclaimer.

Information in this Presentation and Disclaimer

This Presentation has been provided to you solely to convey information about Burgundy. This Presentation is for information purposes only is not a recommendation or advice in relation to Burgundy or any product or service offered by Burgundy or any of its subsidiaries. The information in the Presentation is of a general nature only, does not purport to be complete and is not intended to be relied upon as advice to investors or potential investors in evaluating a possible investment in Burgundy. It has been prepared by Burgundy with due care, but other than as required by law, no representation or warranty, express or implied, is provided in relation to the accuracy, fairness or completeness of the information, opinions and conclusions contained in this Presentation. To the maximum extent permitted by law, none of Burgundy and its related bodies corporate, or their respective directors, employees or agents, nor any other person accepts liability for any loss arising from the use of this Presentation or its contents or otherwise arising in connection with it, including, without limitation, any liability from fault or negligence. In particular, no representation or warranty, express or implied, is given as to the accuracy, completeness or correctness, likelihood of achievement of reasonableness of any forecasts, prospects, statements or returns contained in this Presentation. Such forecasts, prospects, statements or returns are by their nature subject to significant uncertainties and contingencies. Actual future events may vary from those included in this Presentation.

Statements in this Presentation are made only as of the date of this Presentation, unless otherwise stated, and the information in this Presentation remains subject to change without notice. None of Burgundy, its representatives or advisers is responsible for updating, or undertakes to update, this Presentation. Items depicted in photographs and diagrams are not assets of Burgundy, unless stated.

This Presentation should be read in conjunction with Burgundy's other periodic and continuous disclosure information lodged with the ASX, which are available at www.asx.com.au and on Burgundy's investor relations centre accessible via <https://www.burgundydiamonds.com/asx-announcements>

Not financial product advice or offer

This document is based on information available to the Company at the time of preparation from sources believed to be reliable, and it remains subject to the qualifications in this document. This document is not, and should not be construed as, a recommendation by the Company or any of its related bodies corporate (as that term is defined in the Corporations Act), affiliates or associated entities or any of their respective officers, directors, employees, partners, contractors, consultants, agents or advisers or any other party referred to in this document to you to invest in the Company.

This Presentation has been prepared without accounting for any person's individual objectives, financial or tax situation or any particular needs. Readers should consider the appropriateness of the information having regard to their own objectives, financial and tax situation and needs, make their own enquiries and investigations regarding all information in this Presentation including but not limited to the assumptions, uncertainties and contingencies which may affect future operations of Burgundy and the impact that different future outcomes may have on Burgundy, and seek legal and taxation advice appropriate for their jurisdiction.

No offer or advertisement

This Presentation does not constitute an invitation, recommendation, advertisement or offer to apply for shares and does not contain any application form for shares. Neither this Presentation nor anything contained in it shall form the basis of any contract or commitment and it is not intended to induce any person to engage in, or refrain from engaging in, any transaction.

This Presentation has been prepared for publication in Australia and may not be released to US wire services or distributed in the United States. The distribution of this Presentation in the United States and elsewhere outside Australia may be restricted by law. Persons who come into possession of this Presentation should observe any such restrictions as any non-compliance could contravene applicable securities laws.

Past performance

Past performance information, including past share price information, given in this Presentation is given for illustrative purposes only and should not be relied upon as an indication of future performance.

Future performance

Forward-looking statements, opinions and estimates provided in this Presentation are based on assumptions and contingencies which are subject to change without notice, as are statements about market and industry trends, which are based on interpretations of current market conditions. Forward-looking statements reflect expectations as at the date of this Presentation. However, they are not guarantees or predictions of future performance or events or statements of fact. They involve known and unknown risks, uncertainties and other factors, many of which are beyond Burgundy's control, and which may cause actual results to differ materially from anticipated results, performance or achievements expressed or implied by the forward-looking statements contained in this Presentation. For example, future diamond price deterioration may affect the Company's ability to operate profitably.

Other than as required by law, although they believe there is a reasonable basis for any forward-looking statements, neither Burgundy nor any other person (including any director, officer or employee of Burgundy or any related body corporate) gives any representation, assurance or guarantee (express or implied) as to the accuracy or completeness of each forward-looking statement or that the occurrence of any event, results, performance or achievement will actually occur. Except as required by applicable laws or regulations, Burgundy does not undertake to publicly update or review any forward-looking statements, whether as a result of new information or future events.

IMPORTANT NOTICE AND DISCLAIMER

Financial information

Certain financial data included in this Presentation is 'non IFRS financial information' and "non-GAAP" financial measures under Regulation G of the U.S. Securities Exchange Act of 1934, as amended. These measures are used internally by management to assess the performance of the business and make decisions on the allocation of resources and are included in this Presentation to provide greater understanding of the underlying financial performance of the Burgundy's operations.

When reviewing business performance, this non-IFRS/non-GAAP information should be used in addition to, and not as a replacement of, measures prepared in accordance with IFRS. Readers are cautioned not to place undue reliance on any non-IFRS/non-GAAP financial information and ratios included in this Presentation. The non-IFRS/non-GAAP information has not been subject to audit or review by Burgundy's external auditor.

The non-IFRS/non-GAAP measures do not have any standard definition under IFRS and may be calculated differently by other companies.

Market share information

All market share information in this Presentation is based on management estimates and internally available information, unless otherwise indicated.

Reliance on third party information

The views expressed in this Presentation contain information that has been derived or sourced from publicly available sources or third parties (such as market and industry data). Such information has not been independently verified by Burgundy nor have those third parties or industry or general publications authorised or approved the publication of this Presentation. No representation or warranty is made as to the accuracy, completeness or reliability of such information. This Presentation should not be relied upon as a recommendation or forecast by Burgundy.

Ore Reserves and Mineral Resources Reporting

The information in this announcement with respect to Ore Reserves and Mineral Resources for the Ekati Diamond Mine were released by the Company on 2nd May 2024 ("Amended Annual Mineral Resources and Ore Reserves"). The Company confirms it is not aware of any new information or data that materially affects the information included in this ASX release and, in the case of estimates of Ore Reserves and Mineral Resources, that all material assumptions and technical parameters underpinning the estimates continue to apply and have not materially changed.

Data, photographs and diagrams

Photographs and diagrams used in this Presentation that do not have descriptions are for illustration only and should not be interpreted to mean that any person shown in them endorses this Presentation or its contents or that the assets shown in them are owned by the Company. Diagrams used in this Presentation are illustrative only and may not be drawn to scale. Unless otherwise stated, all data contained in charts, graphs and tables is based on information available at the date of this document.

Currency

All amounts in this Presentation are in US dollars unless otherwise stated.

Effect of rounding

A number of figures, amounts, percentages, estimates, calculations of value and fractions in this Presentation are subject to the effect of rounding. Accordingly, the actual calculation of these figures may differ from the figures set out in this Presentation.

OVERVIEW

01

Operational and financial performance

02

Growth

03

2024 achievements

04

2025 outlook

01

**Full year-2024
Operational and
financial performance**

OPERATIONAL HIGHLIGHTS

Full year-2024

- Lower ore mined, due to mining operations transitioning from Sable to Point Lake open pit
- Carats recovered lower than the prior corresponding period due to lower grade ore blend (plant feed supplemented with lower quality ore)

Waste mined
(FY-2024 vs FY-2023)

Ore mined
(FY-2024 vs FY-2023)

Tonnes processed
(FY-2024 vs FY-2023)

Carats recovered
(FY-2024 vs FY-2023)

Grade recovered
(FY-2024 vs FY-2023)

Notes: All currency values reflect US dollars unless stated otherwise. Percentage variances for the operational metrics between Q4-2024 and Q4-2023 have been calculated on a thousand (K) per unit scale. Mwmt = Million Wet Metric Tonnes; Mdmmt = Million Dry Metric Tonnes; Mcts = Million Carats; cts/t – carats per ton.

SALES AND FINANCIAL HIGHLIGHTS

Full year-2024

- 4.9M carats sold up 3% vs 2023 due to acceleration of sales pipeline
- Revenue per carat of \$92 down vs 2023 due to processing of lower grade ore due to transition from Sable to Point lake and adverse diamond market

Carats sold
(FY-2024 vs FY-2023)

Revenue/ct sold
(FY-2024 vs FY-2023)

- Revenue of US\$442m only down 6% vs 2023 despite adverse market conditions
- Full year EBITDA of US-\$53M vs 2023 down due largely to asset impairment of US\$151M (due to lower prices & timing of reserve additions)

Revenue
(FY-2024 vs FY-2023)

EBITDA
(FY-2024 vs FY-2023)

Notes: All currency values reflect US dollars unless stated otherwise. Percentage variances for the sales metrics between Q4-2024 and Q4-2023 have been calculated on a thousand (K) per unit scale. Mcts = Million Carats. EBITDA is a non-IFRS metric and is calculated as Net income (Loss) plus Current Tax Expense (Recovery) plus Deferred Tax Expense (Recovery) plus Finance Expenses plus Depreciation and Amortisation. (1) 100% ACDM's revenue. (2) Pro-rata to include ACDM's consolidated H1-2023 financials.

BALANCE SHEET POSITION

Disciplined cash management

Priorities:

- 1 Funding cash-accretive mine life optimisation and extension projects
- 2 Meeting and reducing our debt obligations
- 3 Ensuring sufficient cash reserves to fund working capital obligations relating to our operating environment
- 4 Returning surplus cash to shareholders as dividends

	Time →	30-Jun-23	30-Sep-23	31-Dec-23	31-Mar-24	30-Jun-24	30-Sep-24	31-Dec-24
Property, plant, equipment (US\$M)		277	205	239	224	232	264	136*
Other non-current assets ¹ (US\$M)		49	70	75	76	74	75	93
Cash and cash equivalents (US\$M)		67	46	94	83	57	72	25
Diamond inventories ² (US\$M)		124	157	109	108	100	73	63
Net cash / (debt) ³ (US\$M)		(181)	(82)	(35)	(44)	(63)	(23)	(66)
Net cash, including diamond inventories/ (debt) ⁴ (US\$M)		(57)	75	74	64	37	51	(3)

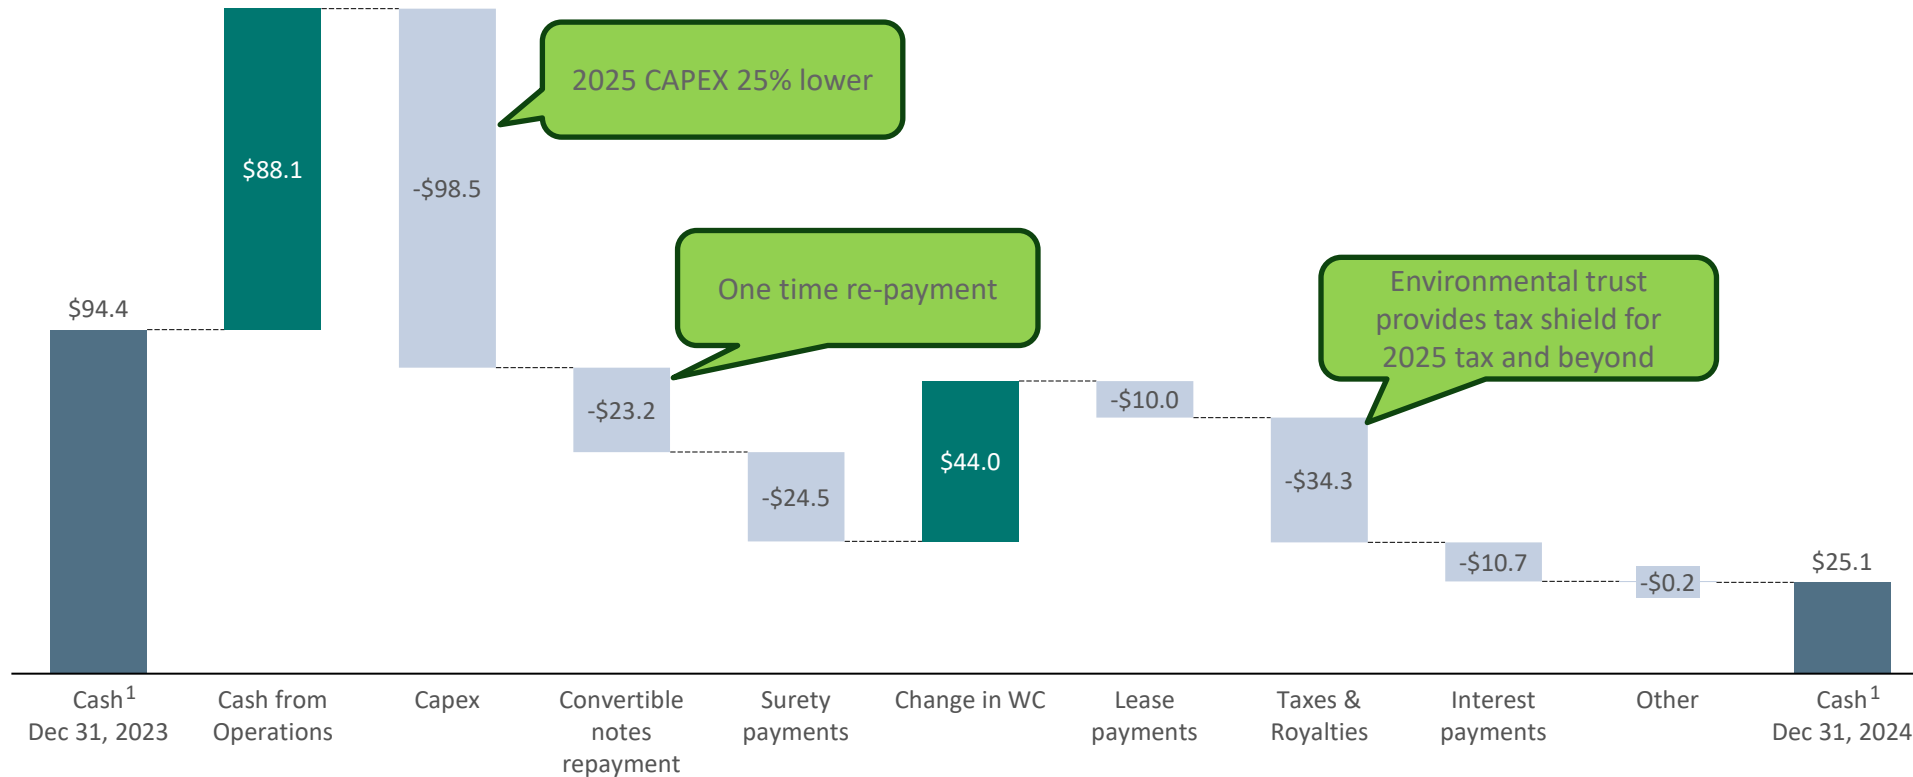

- Drop in PP&E due to impairment of US\$151M primarily as a result of lower diamond prices and timing of reserve additions
- Net cash impacted by lower revenue and transition to Point Lake

Notes: (1) Other non-current assets includes sample diamond, restricted cash associated with letter of credit and reclamation deposits. (2) Diamond inventories are shown at the lower of cost and net realisable value and also include samples diamonds. (3) Net cash is a non-IFRS metric and is calculated as cash less debt, debt is defined as Terms Loans plus Convertible Debt plus Promissory (Earn out) Notes plus Capital Leases. (4) Net Cash (including diamond inventories) is a non-IFRS metric and is calculated as Net Cash less Diamond Inventories at the lower of cost and net realisable value.

CASH CHANGE DETAILS

December 31, 2023 to December 31, 2024 (US\$M)

- Cash and cash equivalent balance of US\$25.1M
- The major cash movements included:
 - Three environmental bond payments totalling US\$24.5M & Taxes & Royalties of US\$34.3M
 - US\$98.5M capital expenditures, including ~US\$61M for Point Lake mining preparation, ~US\$29M sustaining and ~US\$8M for development
 - Convertible Note payout US\$23.2M

Notes: Please refer to Q4-2024 quarterly activities report. (1) Cash and cash equivalents.

Growth

MISERY UNDERGROUND MINE

Active drilling targeting significant mine life extension

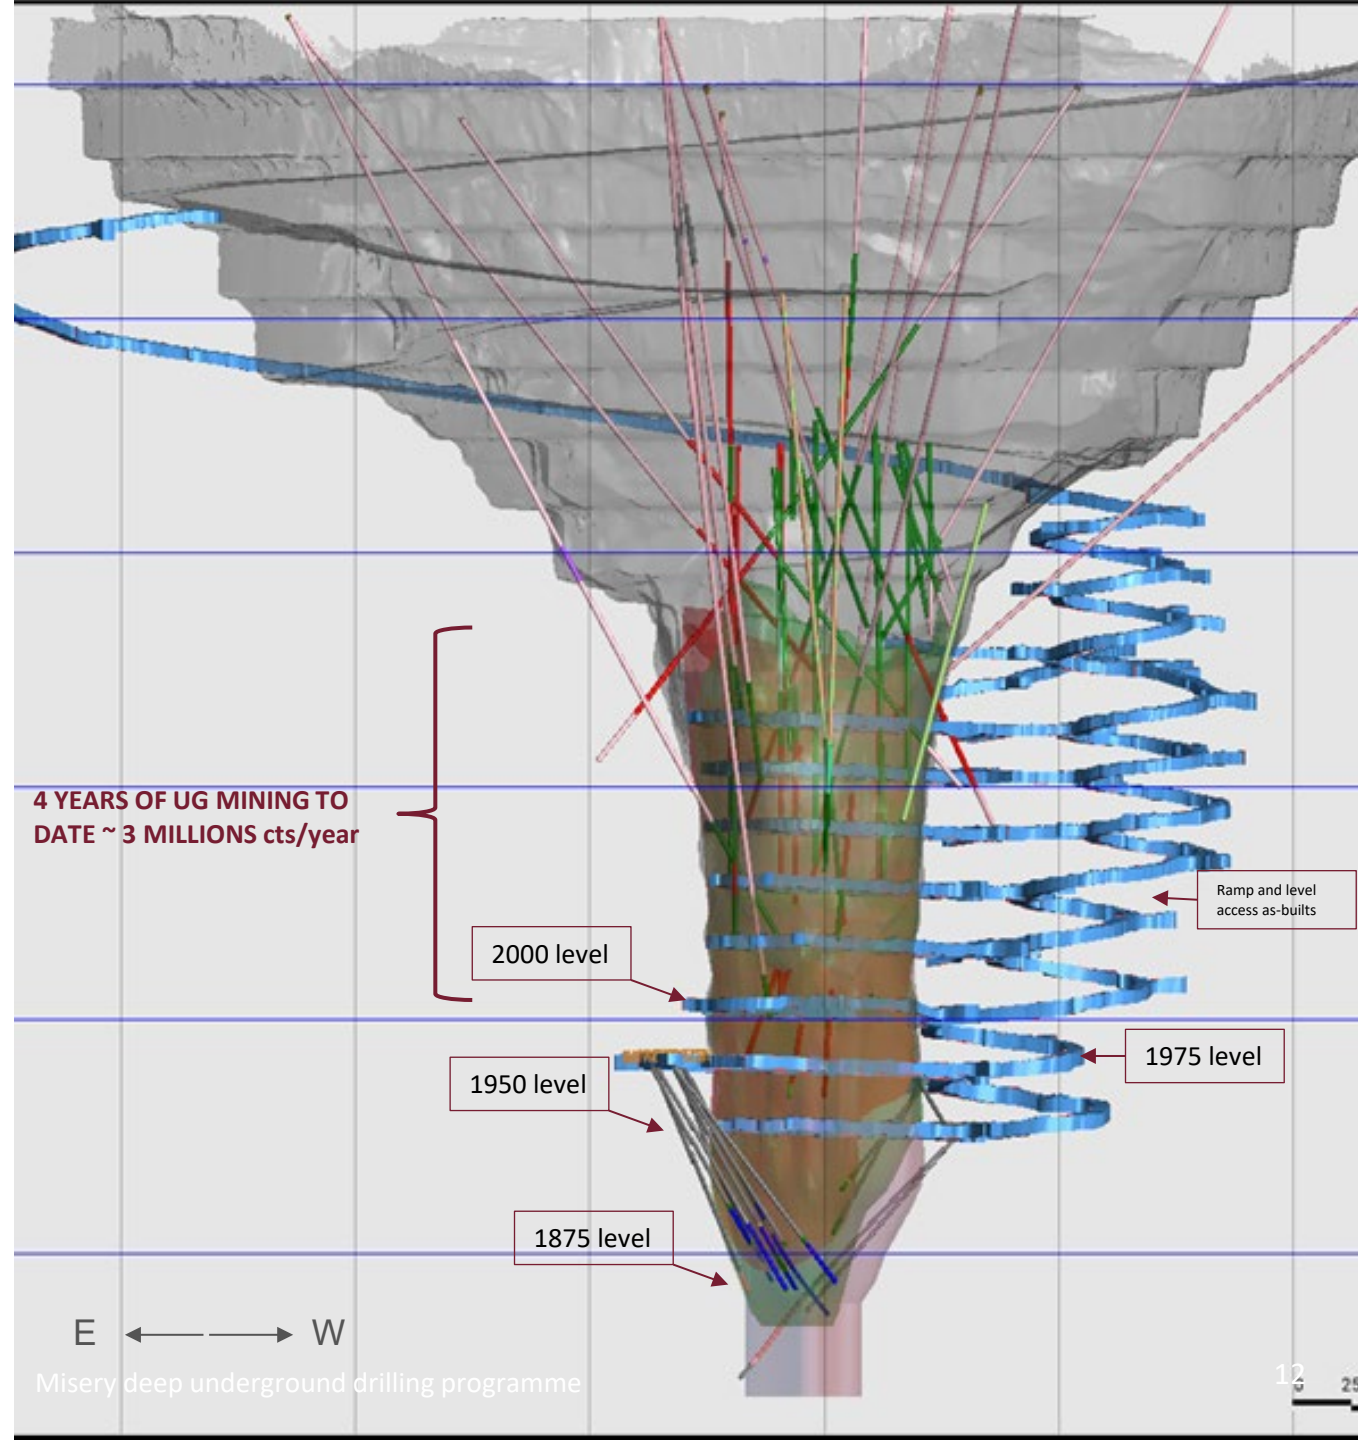

Update on activities:

- Mining activities are at 2000, and 1975 levels (2024-Q4)
- Encouraging results from completed drilling programs to date (drilling mainly to 1875 level)
- Misery Southwest extension (SWE) drilling is 50% complete; Misery deep drilling and technical works prioritized over SWE
- Key focus on increasing efficiency and production rates from UG

Reminder:

- Negligible capital spend for additional ore at Misery due to existing infrastructure
- Highly profitable operation (approximately US\$235M annual production value)¹

Notes: Misery "Deep" refers to Misery Main ore body. (1) Refer to ASX announcement dated 10th July 2024.

Misery deep underground drilling programme

MISERY UNDERGROUND MINE

Active drilling targeting significant mine life extension

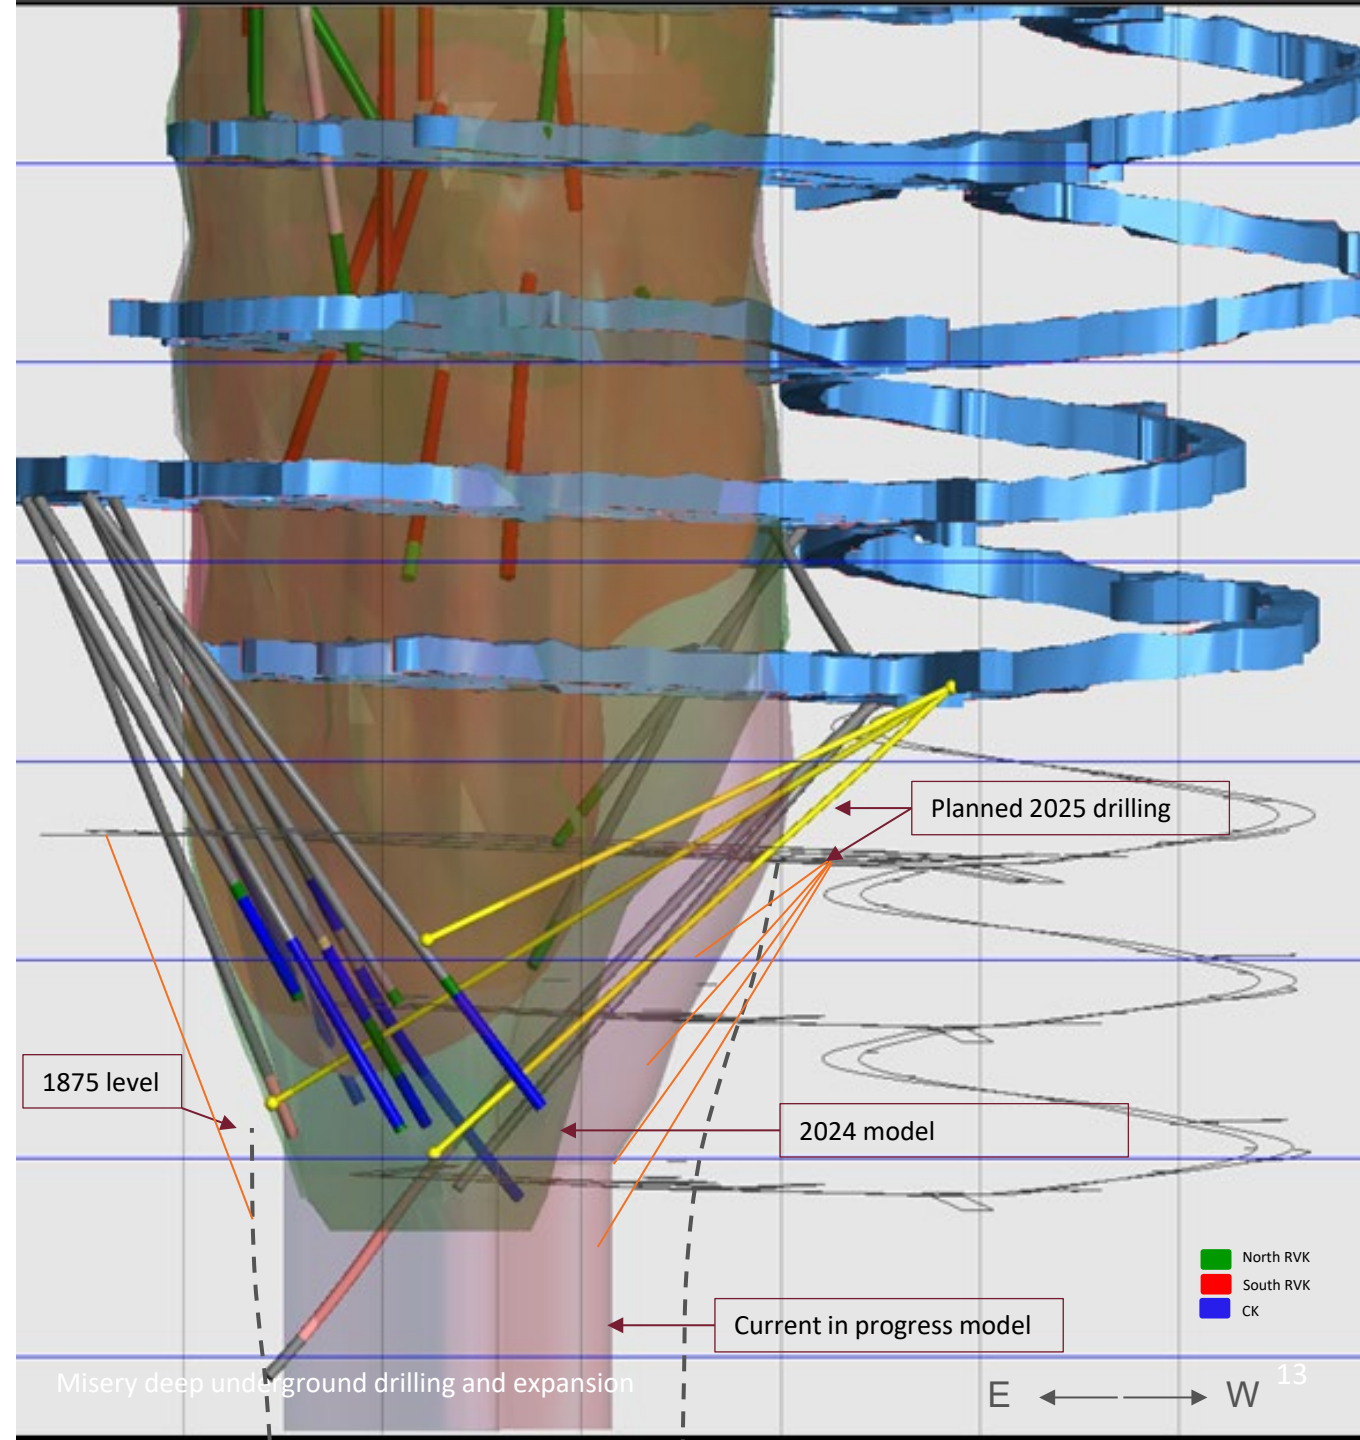

Update on activities:

- Encouraging results from completed drilling programs the size of the pipe and ore grade remain consistent with MUG to date
- Kimberlite (blue) drilled on the east side of the pipe is different from ore mined to date
- Microdiamond sample grades for kimberlite (blue) below M1925 are consistent with MUG ore grades to date
- Pipe volume expansion on the west side is to be confirmed with future drilling

Technical work path forward:

- Complete drill holes on the West side (yellow and orange holes)
- Expand microdiamond sampling program
- Update resource model
- Complete geotechnical assessment, ventilation modeling, UG mine design, plan and schedule.

Notes: Misery "Deep" refers to Misery Main ore body. (1) Refer to ASX announcement dated 10th July 2024.

POINT LAKE OPEN PIT MINE

Ekati's next mine in 2025

Update on activities:

- Significant progress with overburden (mud/till) mining from lake bottom; pit lake dewatering complete
- Commercial production and bulk sample from the main kimberlite expected to be achieved in May-2025
- Heavy focus/gains on productivity improvements; developed a new pit design reducing strip ratio

Reminder:

- 10th mining operation to enter ore production at Ekati
- 24 million carats in Indicated Resources, containing yellow diamond population¹
- Operation uses nearby Misery camp infrastructure (~2 km away)

Notes: (1) Including Probable Ore Reserves (see appendix), as of 31st December 2024.

Point Lake open pit March 27, 2025

2024 achievements

2024 REVIEW

Strides towards executing Company strategy

- Cost transformation well underway – reduced the size of workforce by 20%
- Successful transition from Sable to Point Lake open pit
- Convertible Notes of US\$23M repaid
- Renegotiated environmental bond payment schedule enabling the Company to amortise its payments over the Ekati life of mine (current and/or updated), and a minimum cash protection of US\$30M¹
- Qualifying environmental trust established, with a total cash contribution of US\$58M made in 2024 with refundable tax credit
 - The qualifying environmental trust tax credits can be applied to 2024 taxable income, carry back to tax period ended December 2023 or carry forward to future years
- Strong progress made on mine life extension opportunities
- Multiple innovative sales channels implemented outside of the traditional auction process; double the number of government royalty valuations for 2025 - increased from 10 to 20
- Weathered a very difficult diamond market with generational low prices

Notes: See ASX announcement dated 14th August 2024 and 17th December 2024.

Ekati processing plant

2025 outlook

2025 CATALYSTS

Positive year ahead

Market:

- Global rough diamond supply dipped below 105 Mcts in 2024 for first time since 1995¹. Medium to long term thesis for strong diamond prices is maintained
- Early Indications show market sentiment improvement with like for like price improvement of ~8 to 10% from first 3 sales of the year

Operations:

- Production, hauling and cost efficiencies realized due to focused performance improvement initiatives and co-location of Misery Underground and Point Lake open pit
- Commercial production and Bulk sample from the main kimberlite expected to be achieved in May-2025
- Expecting to increase both production rate and life at Misery deep underground mine
- Release first mine plan by the end of Q2-2025, followed by longer-term mine plan in the second half of the year

Financial:

- Significant focus on gaining financial flexibility in 2025 (Environmental trust fund, Fuel off-take agreement, refinancing 2L loan, etc.)

Notes: (1) Paul Zimnisky Analytics (estimate).

Ekati haul road servicing Point Lake and Misery underground

ENSURING LIQUIDITY STAYS ROBUST

Improving Burgundy's cash position

- ✓ Several initiatives focussed on cash management and working capital management
- ✓ Double the royalty valuations (from 10-20) to smooth revenue from increased number of sales and to further shorten the diamond inventory pipeline
- ✓ Fuel offtake agreement completed with Macquarie Bank with US\$39.2m received in February with monthly payment for fuel as consumed
- Several credible innovative diamond purchase options available
- Progressing options to refinance/replace 2L Loan (non-dilutive); the 2L Loan matures in June 2026
- Cautiously optimistic about rough diamond price recovery in 2025
